2010 Santa Barbara County Naked® Chardonnay

Winemaker's Comments:

Step away from the barrel! This Chardonnay was fermented in 100% stainless steel and has not seen any oak, nor does it want to. Fruit is harvested from three south facing hilltop vineyards in the Cat Canyon in Northern Santa Barbara: Los Alamos, Loma Verde and El Camino. The clusters were hand sorted and gently whole cluster pressed and fermented in 100% stainless steel tanks and left on the lees as long as possible. The wine was NOT put through malolactic fermentation, in order to maintain the natural acid balance. As a result, the nose is bright with crisp apple and pear laced with clove, mineral and a hint of anise. On the palate, the Chardonnay exhibits crisp apple, white peach and pear, finishing long with hints of citrus and mineral. Pure, bright, beautiful, unclothed, unhindered. Naked® is made to go with food instead of competing with it, like those buttered lumberyards masquerading as Chardonnay. Eat oysters and drink Naked® often!! Share with a friend...
